

Programa Juventud en Acción (acción 1.1.)

CINE Y PELÍCULAS

Presentation of the Organization :

The Foyer Léo Lagrange is a cultural and sports association situated to Tourlaville: city about 16 000 inhabitants situated in France Basse-Normandie, in the department of La Manche (50).

We propose various mode of reception and help the young people to realize their projects all year round.

The Space Teenagers of the Foyer Léo Lagrange welcomes without discrimination all the young people from 11 years. We welcome teenagers of social, cultural origins and geographical very diverse.

We have already participated and organized the exchanges of European young people.

Describe your target group (age, size, social situation, status, gender, etc.) :

Our group consists of 6 young people from 15 to 18 years old. They have for common passion the cinema and the realization of movies short films. They are every students and live in Tourlaville.

The young people wish they can exchange with the other young people of different cultures on subjects of society which concern them, by using the video tool to pass on their points of view to the public.

Their purpose is to be able to meet the other European young people with the same passion and to realize fictions on themes which concern the young people.

What kind of youth exchange do you want to do (theme, activities, ...)?

We wish to welcome to Tourlaville the young people of various European countries.

Our objectives are for the young people:

- Gather on the same stay of the young people of different circles (geographically and socially)
- To provoke meetings between young people of various countries and also with the local population
- To allow the expression of the young people on subjects of company which concern them and which they concern a glance.
- To introduce the young people to the film practices by allowing them to participate in various workshops around the artistic creation.

Partner country(ies) of preference (if any) : Indifférent

Do you want to add something ? :

We favor the organization of the exchange with young people (French and others), it is recommended for partners to have previously formed a group that shares the same passion for film and filmmaking.

We want to work now with interested partners to ensure that young people from

different groups are actually holders and organizers of the exchange.
